# Notes

Happy Gardening in 2011!

We, at Cedarglen Floral, welcome you to join us in the upcoming *and* exciting gardening year. All of us have plans to put forth that **extra degree of effort**, to be the best at what we do...supply superior plants!

I love this quote:

*“At 211 degrees, water is hot. At 2x degrees, it boils.  
And with boiling water, comes steam.  
And with steam, you can power a train.  
Just one extra degree can make all the difference.”*

Let us know if there is anything we can do to be that *'one extra degree'* to help you and your staff be the best at what you do!

We offer: sales training meetings, we will conduct in store customer education talks, or we can provide POP signs for new plants.

Have a special plant you would like to offer exclusive to your customers? Call us and ask about our 'custom grow' program.

Gardening yours,

Cherie

Four *inch* Annuals | 18 pots *per flat* |
